

## Huthur Heuther and Partner Estate Agents Mallorca WARNING the LIARS in Porto Cristo

This is a Warning as to Sales Estate Agents in Porto Cristo who are a bunch of Liars and how through the lies they told cost the deliberate sale of a Property which was already at the Contract stage and ready to be sold. The Video below contains the key points of a conversation between the buyer and seller after Heuther and Partner Estate Agents had advised the property was illegal as it had no permits and was not in size as stated. ALL absolute hogwash and lies for what reason only they know what the scam was in the pipeline. UNLUCKY For them after some detective work the actual buyer and seller managed to find each other despite Heuther and Partner Estate Agents NOT willing to give contact details..

In the conversation as in video sections keeping private details you can still see the obvious Lies the buyer was told and subsequently scared off the Purchase, who wouldnt be when advised the Home was illegal etc.. **Heuther and Partner Estate Agents owned by a Mr Huthur** and with the English speaking sales Hitman, a Mr Charles Westlake-Wood. a posh spoken agent who gives this fake front of a caring Salesman who acts for the Seller at all times but in reality is a bare faced Liar who speels of rubbish false hoods to manipulate people to his own agenda, which who knows what that may be?..

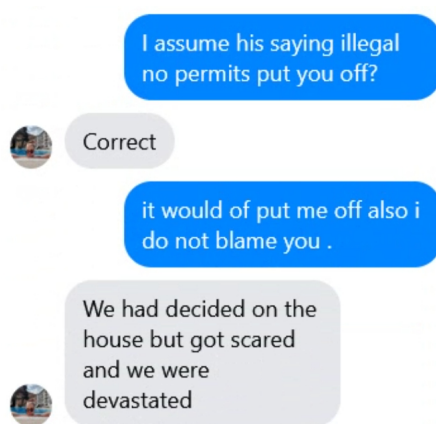

## Huther Heuther and Partner Estate Agents Mallorca WARNING the LIARS in Porto Cristo
