

Burger King Porto Cristo Mallorca.

 Superb location opposite the Porto Cristo sandy Beach, along the main road through Porto Cristo , this Burger King is clean and the food is consistently good..

Its always cooked to order none of this cooked and left on the side for ages like some fast food chains.. This i feel is what gives this Burger King its regular return customer base..

The staff are always friendly and polite even when rushed there seems to be control and the food stays correct..

If fast food like the Burgers etc,, is your style then this Burger King in PortoCristo is at the top of the best ones ..
